

Lincoln School Newsletter August/September 2010

Welcome to Lincoln School

We are glad you are here!

The faculty and staff at Lincoln School welcome you to the 2010-2011 school year. We hope your experience here is enjoyable as your child learns from the best primary staff in the Illinois Valley. If there are ever any concerns or questions, please contact the appropriate staff or the office. We will be happy to find an answer or explanation for you. School is very different than in the past, so if there is anything you don't understand or want to know why we do something please ask. You will see lots of acronyms about education (RtI, PBIS, etc.), and we will be happy to help you understand what these terms mean and why they are important to you and your child. Research has proven that the best indicator of your child's success in school is their parents working with the school system. When students see their parent's interest, they know the importance of school and are successful.

Traffic Procedures

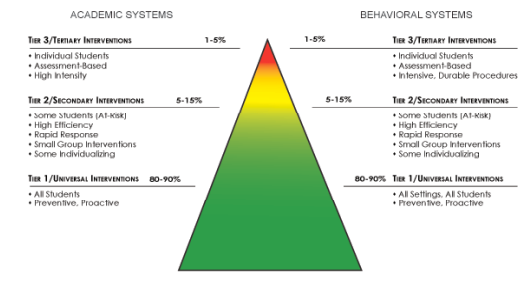

Pick up and drop off of students can be a smooth process if we follow the following procedures:

- Do not drive down Erie Street. Parents must park on Mary and walk to the outside of the fence to drop off or wait for their child, or drive down Cleveland to Barton Street, up the hill to Erie and back to the alley. No vehicles are allowed to pull up on the playground during drop off or pick up.
- At the end of the day, as you come up the Barton Hill, please pull along the south side of Erie Street to the alley. Do not pull into the alley until directed by a staff member. Do not pull onto Erie Street if you will be blocking the road. Our neighbors need to get in and out of their homes too, so please keep room for them to pass.

PBIS + RtI

The entire District is participating in PBIS (Positive Behavior Interventions and Supports) and RtI (Response to Intervention) programs. Please check often with your child for more PBIS/RtI information. Please read the ABC's of Lincoln (found on page 1 of this newsletter) and ask about the PAWS. The triangle below shows all students are part of the PBIS and RtI process.

School-Wide Systems for Student Success:
A Response to Intervention (RtI) Model

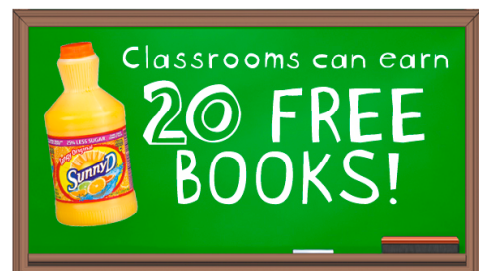

More information on PBIS and RtI will be given by your child's teacher at the Parent Orientation on August 31st from 6:30-7:30 pm. SVED's PBIS coaches are: Mrs. Lambert, Ms. Novak, Mrs. Burkart and Mrs.

Mauck. You can contact them for any additional questions you may have.

Reminders:

- Parents must notify the school by 9 am of the day your child will not be in attendance. Please read page 5 in the Parent/Student Handbook for a listing of excusable absences.
- Please check out the District website at www.sv99.org for calendars, lunch menus, and access to teacher's websites.. In addition, PBIS and RtI information will be found there.
- Please share any old, used books still in good condition with others. Lincoln School participates in a book drive for Project Success of Eastern Bureau County all year long. The donated books are given to families to help promote literacy. All books are accepted; we only ask that if a book is of a strong adult nature, you drop them off yourself at the Food Pantry.
- NOTE: Students are not allowed tattoos of any kind. See the handbook for more information.
- PTO is collecting the following items: Pop tops and General Mills Box Tops. In addition, Lincoln has mailing envelopes for recycling ink jet cartridges for the Special Olympics. Make sure you have indicated Lincoln School in Spring Valley for your Target Charge Card and the Take Charge of Education Program.
- Sunny D classroom book offer. Visit their website for more information.

SunnyD Book Spree

The 2010 SunnyD Book Spree runs from August 2nd - November 30th.
